

TGS has set up a service to respond to the needs of Relief Agencies in search of vehicles for their ongoing operations in Haiti. To cope with these requests, TGS have put in place its own emergency team standing by to help to deal with urgent enquiries for shipments to the affected region. This fact sheet is designed to help our customers with practical information related to the supply of TGS vehicles.

Vehicle availability for Haiti

All TGS vehicles can be exported to Haiti. You can check the full TGS model line up at the below link to our Website:

TGS MODEL GUIDE

Click here for our latest stock overview showing the TGS vehicles available for immediate dispatch – please note that all LHD models are suitable for use in Haiti.

Warranty cover for Haiti

All TGS vehicles are sold within the Toyota direct sales scheme reserved for the United Nations, international NGOs and Government Organisations working in relief projects. As such they are covered by Toyota Worldwide Warranty.

Warranty Service - Haiti

36 Months or 100,000 Kms (whichever comes first)

The Toyota distributor in Haiti has now re-started operations and therefore all TGS vehicles being shipped to Haiti will be looked after by the local Toyota representative. This includes pdi, issue of warranty booklet and after sales services.

Local distributor's address: HINOTO S.A.
 Route De Delmas #25,
 Port-au-Prince,
 Haiti W.I. (P.O. Box 575-1)

Telephone: 1-509-298-4000

Please note that un-authorized traders cannot offer Toyota approved in-country warranty and after-sales service. Please also note that non-Toyota equipment fitted as a TGS option is not endorsed by Toyota and consequently shall not benefit from the Toyota warranty and warranty service. This non-Toyota equipment is separately warranted by TGS to match the conditions of the warranty of the original manufacturer.

TGS Aftersales Manager **Kevin Roper** can answer any queries on warranty.
